

A close-up photograph of a giant panda sitting on a thick, brown tree branch. The panda's face is the central focus, showing its characteristic black and white fur. Its black eye patches are prominent, and its mouth is slightly open. The background is a blurred forest scene with green foliage and brown branches.

Pandas

Pandas, black and white,
A vision in monochrome,
Their eyes, smudged charcoal.

Guinea Pig

Furry contentment,
Guinea pig a-
slumbering,
